

SPONSORSHIP OPPORTUNITIES

Join IPFFNYC and align your brand with diversity in arts education and entertainment. Custom opportunities are available for sponsors interested in participating in the IPFFNYC.

New York City, and its Lower East Side have been home to several generations of immigrants from nations all over the world. As a leader and innovator in bringing together diverse storytellers of all ages, **International Puppet Fringe Festival NYC** will celebrate global artists who are thriving in our changing world. And, raise critical funds to keep bi-lingual arts in education free and at no cost for over 75K children and young adults served each year.

We have secured 12 national and local puppet groups/troupes who will participate as part of our in-person performances; 10 international companies will be part of our virtual programming and all the companies and groups participating in the festival represent 16 different countries. Puppeteers and puppet troupes will be from Africa, Argentina, Canada, China, Cuba, India, Iran, Czech Republic, Israel, Korea, Mexico, New Zealand, Puerto Rico, Spain, Turkey, and the United States.
